

LOCAL GOVERNMENT — FUNDING CUTS

151. Mr D.A. TEMPLEMAN to the Minister for Local Government:

I have a supplementary question. Will the minister provide a list of the projects that are under threat from the cuts and detail them to me personally?

Mr A.J. SIMPSON replied:

There are no cuts, so there will be no list.

The SPEAKER: That concludes question time.

Mr P. Papalia interjected.

The SPEAKER: Member for Warnbro, I call you for the second time.
