

LIVE EXPORT — ANIMALS' ANGELS — FREMANTLE PORT AUTHORITY ACCESS

485. Hon RICK MAZZA to the minister representing the Minister for Transport:

Following the minister's decision to grant access to the Fremantle Port Authority to the animal activist group Animals' Angels, can the minister advise the other animal rights and welfare groups that will also be given access?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question.

At this stage access is intended to be provided only to Animals' Angels due to the fact that it is an advocate group for animal welfare and has previously held access for observation prior to security requirements being increased. The access will be implemented on a trial basis under permit conditions that are currently being determined.
