

FISHERIES LEGISLATION, NATIONAL COMPETITION POLICY REVIEW

**69. Hon KIM CHANCE to the minister representing the Minister for Fisheries:**

- (1) Has the national competition policy review of the Western Australian fisheries legislation been completed?
- (2) If so, when will the results of this process be considered by Cabinet?
- (3) When will the results of the NCP review of the WA fisheries legislation be made available to the public?

**Hon M.J. CRIDDLE replied:**

I thank the member for some notice of this question.

- (1) The Executive Director of Fisheries WA has submitted the national competition policy review reports of WA fisheries related legislation to the Minister for Fisheries.
- (2)-(3) I am advised that the Minister for Fisheries is considering the results of the review reports and awaiting further advice from Fisheries WA on certain legal issues before finalising consideration of the reports and their release.
