

HOSPITALS - EXPENDITURE ON CAPITAL WORKS, EQUIPMENT, UPGRADES AND RENEWALS

2826. Mr P.D. Omodei to the Minister for Health

What amount has been expended on:

- (a) capital works;
- (b) equipment purchases;
- (c) upgrades; and
- (d) renewals,

for hospitals in the Western Australian public health system in 2007 to date (provide a breakdown of works and hospitals)?

Mr J.A. McGINTY replied:

- a) A total of \$102,460,400 has been expended on the total capital infrastructure works program (excluding equipment) in the period 1 January - 18 October 2007. For a breakdown, see attached. [See paper 3414.]
- b) A total of \$35,027,799 has been expended on equipment in the period 1 January-18 October 2007. For a breakdown, see attached. [See paper 3414.]
- c) Upgrades are included in a) and b) above.
- d) Renewals are included in a) and b) above.
