

ROE HIGHWAY–BERKSHIRE ROAD INTERSECTION — UPGRADE

386. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

I refer to a sign on Roe Highway near the intersection of Berkshire Road that states that the \$15 million upgrade will be completed by 2015.

- (1) How much money is currently allocated in the budget for this project?
- (2) How much of this funding is from the road trauma trust fund?
- (3) When does the Minister for Transport expect that the remainder of the funding for this project will be allocated?
- (4) How much of the remainder of this funding will come from the road trauma trust fund?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of the question.

- (1) An amount of \$4.3 million is allocated in the 2013–14 budget.
- (2) It is 100 per cent.
- (3) Funding for the road trauma trust account metropolitan intersection crash program is considered annually.
- (4) The remainder of the funding will come from the road trauma trust account.
