

HOME INVASION — MEEKATHARRA — POLICE RESPONSE TIME

**1101. Hon WILSON TUCKER to the minister representing the Minister for Police:**

I refer to a home invasion incident that occurred on 20 September in Havelock Close in Meekatharra, which was subsequently reported in the *Midwest Times* on 28 September. It was reported that police denied that the response time was 45 minutes but declined to confirm how long it took officers to get to the scene. Can the minister please confirm the response time?

**Hon STEPHEN DAWSON replied:**

I thank the honourable member for some notice of the question. The following information has been provided to me by the Minister for Police.

Western Australia Police Force advises that the time from when the call was received to when police arrived at the incident scene was approximately 28 minutes.
