

LAVERTON HOSPITAL

566. Hon WILSON TUCKER to the Leader of the House representing the Minister for Health:

I refer to the much-anticipated new hospital in Laverton.

- (1) On what date was the tender released?
- (2) Has the government released a response to the tender and has an agreement been signed?
- (3) When will the public be advised of the specific details of the new hospital, such as its facilities and capacity?

Hon SUE ELLERY replied:

President, I have seen that question, but it is not in my file. I will get others to check, but if it is not here and it comes in before the end of question time, I will read it out.
