

**QUESTIONS WITHOUT NOTICE**

**The SPEAKER:** Do we have any questions?

*Point of Order*

**Mr M.P. MURRAY:** I have a point of order under number five.

**The SPEAKER:** Member for Collie–Preston, what is the point of order?

**Mr M.P. MURRAY:** As the Minister for Regional Development was not here to hear your welcome back speech, Mr Speaker, I officially welcome him back and approach him to give him a small token of appreciation.

**The SPEAKER:** Return to your seat, member for Collie–Preston. This is not a point of order.

Several members interjected.

**The SPEAKER:** Order! If the member for Collie–Preston wishes to seek a point of order, I am going to assume that it is something serious. At this time, I will ignore what the member for Collie–Preston has done.
