

GENETICALLY MODIFIED CANOLA — SHIRES' OPPOSITION TO CROP TRIALS

**284. Mr M.P. MURRAY to the Minister for Agriculture:**

I have a supplementary question. The minister said that the location of GM crop sites would be determined by the end of March. Would he please table a list of the sites?

**Mr D.T. REDMAN replied:**

We are working through them.

Several members interjected.

**Mr D.T. REDMAN:** I am hoping to make an announcement soon. As I said, I intend to be totally transparent about this issue. Right down to the location, it will be publicised, including on the web site. We are being transparent; we are progressive and we are moving forward.
