

VEHICLE MOVEMENTS — PLACARDED LOADS

436. Hon SUE ELLERY to the parliamentary secretary representing the Minister for Transport:

I refer to vehicles carrying placarded loads that are currently using Leach Highway between Carrington Street and Stock Road. How many vehicles carrying placarded loads used this section of the road in 2016?

Hon JIM CHOWN replied:

I thank the member for some notice of the question.

Placarded vehicles are not specifically categorised as a separate subgroup of heavy vehicles, and therefore the traffic counters used to count vehicle movements do not differentiate between a placarded heavy vehicle or a non-placarded heavy vehicle.
