

PUBLIC TRANSPORT AUTHORITY — EQUILIBRIUM — GRAPHICS

**179. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:**

I refer to question without notice 49.

- (1) Did the company that produced the graphics for the Ellenbrook bus rapid transit produce any other graphics or animations for the Public Transport Authority in 2012–13?
- (2) If yes, what other graphics or animations did it create?
- (3) What was the total cost of all the graphics and animations it created?

**Hon JIM CHOWN replied:**

I thank the honourable member for some notice of the question.

- (1) Yes.
- (2) The Public Transport Authority asked Equilibrium to design an animation for the Forrestfield–airport link project and an animation of the possible future extension of the Thornlie–Mandurah line.
- (3) Each animation cost \$4 756.40, including GST.
