

ROE HIGHWAY EXTENSION

**521. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:**

- (1) Does the Minister for Transport agree with the statement that the Roe Highway extension from Kwinana Freeway to Stock Road will take 65 000 trucks a day off local roads?
- (2) If yes to (1), will the minister table the modelling on which this was based?
- (3) If no to (1), what does the minister expect the number will be; and will he table the modelling on which this is based?

**Hon JIM CHOWN replied:**

I thank the honourable member for some notice of this question.

- (1) We believe this project will remove a significant number of trucks from local roads and will carry out further analysis at the state level.
- (2) Not applicable.
- (3) The traffic modelling information for the Roe Highway extension is publicly available through South Metro Connect.
