

COLLIE FUTURES FUND

558. Hon Dr STEVE THOMAS to the parliamentary secretary representing the Minister for Regional Development:

The Minister for Emergency Services gave a good answer to the last question, apart from the last little bit that no-one will ever achieve.

I refer to the Collie Futures fund.

- (1) What is the total amount that has been made available under this fund since its inception?
- (2) What is the balance of unallocated or uncommitted moneys remaining in the fund?
- (3) What projects have received funding from the fund and of what value to each?
- (4) What permanent full-time, permanent part-time and casual positions have been created within each project funded in part (3)?

Hon KYLE MCGINN replied:

I thank the member for some notice of the question. The following answer has been provided to me by the Minister for Regional Development.

- (1) It is \$24 million.
- (2) It is \$5 275 886.
- (3) I table the attached information.

[See paper [2227](#).]

- (4) Given the significant amount of information required to respond and the cross-agency nature of the government's work in Collie, we will be able to provide this information at the next sitting.
