

KWINANA DESALINATION PLANT, RENEWABLE ENERGY

74. Mr P.D. OMODEI to the Minister Assisting the Minister for Water Resources:

I have a supplementary question. Will the Water Corporation incur or has it incurred any cost increases or penalties as a result of this government's interference in requiring that the plant be powered by renewable energy rather than by gas?

Mr J.C. KOBELKE replied:

Clearly, there was no interference.
