

**CITY OF MANDURAH, MR SAULYS**

*Statement by Member for Mandurah*

**MR NICHOLLS** (Mandurah) [12.51 pm]: I shall read into *Hansard* a letter I received from Councillor Wilson from the City of Mandurah as follows -

I refer to a brief that was tabled in the House by Mrs Michelle Roberts on 25 May 2000 regarding dealings between Mr Saulys and his family and the City of Mandurah.

The document states that one of the Councillors at the City of Mandurah is prepared to swear that it is his belief that the block was never cleared, and that he inspected the block on a couple of occasions. That statement is untrue. I am the Councillor referred to; I did not, I will not and I cannot make a statement such as that. I merely expressed an opinion on the day.
