

RAILWAYS, KENWICK-JANDAKOT

914. Hon Jim Scott to the Minister for Transport:

- (1) How much money has been spent on preliminary works for the Kenwick to Jandakot section of the South West corridor passenger railway line?
- (2) Will the minister detail what specific works have been carried out or are in progress for this section of the passenger rail line?
- (3) Have any tenders been called for other works to be done for this section of the passenger rail line?
- (4) If so, what are they and what is the expected cost of those works?

Hon M.J. CRIDDLE replied:

- (1) To date the amount spent on preliminary works for Kenwick to Jandakot has been \$7.044m.
- (2) The specific works carried out for this section are the part construction of the railway tunnel at Kenwick and the purchase of houses in Thornlie.
- (3) No.
- (4) Not applicable.
