

SOUTH BEACH VILLAGE, NOISE MANAGEMENT PLAN

1256. Hon Jim Scott to the Minister for Local Government and Regional Development representing the Minister for the Environment

- (1) Has the developer of the South Beach Village prepared a Noise Management Plan for the development area?
- (2) If yes, will the Minister table the document?
- (3) If the developer has not developed a Noise Management Plan is the Minister aware that a plan was to be prepared prior to subdivision?
- (4) Is the Minister aware that subdivision plans for the former ANI Bradken site have been lodged?

Hon TOM STEPHENS replied:

The Minister for the Environment has provided the following response:

- (1) Yes.
- (2) Yes. After receiving approval from the developer, a copy of the Noise Management Plan is tabled for your information. I am aware that the developer is prepared to provide copies of reports to interested parties if approached. [See paper No 1562.]
- (3) Answered by (1).
- (4) Yes, I am aware that a subdivision application has been lodged with the DPI, which is in the process of considering it, in accordance with the environmental conditions of the Ministerial Statement for the site.
