

EAST MILLBRIDGE — PRIMARY SCHOOL SITE

1257. Mr M.P. Murray to the Minister representing the Minister for Education:

I refer to land allocated for a Department of Education Primary School at East Millbridge in Eaton, and ask:

- (a) has a proposed start date for the construction of the Primary School been determined;
- (b) given that adjoining open public space will be shared by the Primary School and local residents, has the Department of Education discussed any future development plans with the Shire of Dardanup; and
- (c) can the Department of Education ensure that appropriate liaison will be undertaken with the Shire of Dardanup in relation to the East Millbridge Primary School's design footprint and in particular focussing on discussions to maximise the public open space usage and traffic management and parking issues?

**Mr J.H.D. Day replied:**

- (a) No date for the commencement of construction has been determined.
- (b) Discussions between the Shire of Dardanup and the Department of Education regarding the future development of the adjoining public open space have commenced.
- (c) Yes.
