

LIME SAND ROUTE FROM LANCELIN

**18. Hon J.A. SCOTT to the Leader of the House representing the Minister for Planning and Infrastructure:**

Will the minister table the details of costings for the construction of strategic corridor route No 2 lime road from Lancelin?

**Hon KIM CHANCE replied:**

I thank the member for some notice of this question.

The Minister for Planning and Infrastructure advises that the preliminary estimate for the construction of agriculture lime sand route No 2, which runs between Lancelin and Goomalling, is \$7 million.
