

HOSPITALS — BIRTHS

869. Dr D.J. Honey to the Minister for Health:

For the past three financial years, how many babies were delivered at:

- (a) Private hospitals for each such hospital; and
- (b) Privately run public hospitals for each such hospital?

Ms A. Sanderson replied:

- (a) The below table details the aggregated number of babies delivered at all private hospitals by private patients.

	2020–21	2021–22	2022–23
Number of babies delivered at all private hospitals by private patients	8,089	8,203	7,589

- (b) The below table details the number of babies delivered at private hospitals by public patients.
