

DONGARA DISTRICT HIGH SCHOOL, UPGRADING

**342. Hon MURRAY CRIDDLE to the Minister for Education and Training:**

Will the minister please provide details of the government's financial and time frame commitments to upgrades and additions to building and infrastructure at Dongara District High School?

**Hon LJILJANNA RAVLICH replied:**

Was that question without notice?

**Hon Murray Criddle:** It is on notice.

**Hon LJILJANNA RAVLICH:** I am sorry, I have been under a bit of pressure today, as Hon Murray Criddle might have noticed. One can only do so much with one's limited time. I thank the honourable member for some notice of this question.

Dongara District High School is to benefit from the government's \$65 million Fixing Our Schools program with a \$68 964 allocation for maintenance. There are currently no other provisions for upgrades or additions to the school.
