

FORRESTFIELD–AIRPORT LINK — LAND ACQUISITION

1015. Hon SAMANTHA ROWE to the parliamentary secretary representing the Minister for Transport:

I refer to the land acquisition process for the purchase of land for the construction of the Forrestfield station and car parks.

- (1) How many blocks of land have been purchased and what is the location and purchase price for each block of land?
- (2) What is the total allocation for the purchase of land for the Forrestfield station and precinct and what is the source of this funding?
- (3) How much is allocated in the total Forrestfield rail link budget for land acquisition?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of the question.

- (1) Three blocks of land were purchased on Sultana Road, High Wycombe for \$1.155 million, \$5.65 million and \$1.16 million.
- (2)–(3) It is \$45 million. The land purchases will be funded from the total \$1.961 billion in the Public Transport Authority's approved asset investment program.
