

RAIL LINES — JOONDALUP — DISRUPTION

3045. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

I refer to the train disruptions to the Joondalup rail line on 24 April 2015, and I ask:

- (a) what time did the delays first occur;
- (b) what were the technical issues responsible;
- (c) when did services resume; and
- (d) how many services were affected?

Hon Jim Chown replied:

- (a) 8.25am.
- (b) Rail ballast was found to be preventing movement to a set of crossovers which stopped them from being changed remotely.
- (c) Services did not cease.
- (d) 71 services were delayed and no services cancelled.
