

CORRUPTION AND CRIME COMMISSION INQUIRY - EVIDENCE FROM MR SPAGNOLO

7. Mr P.D. OMODEI to the Premier:

I have a supplementary question. Will the Premier release the documents after Mr Spagnolo has been to court?

Mr A.J. CARPENTER replied:

They are not my documents. I am not seeking nor have I sought to direct the CCC or demand that the CCC take any particular course of action.

Mr P.D. Omodei: You can ask it.

Mr A.J. CARPENTER: The member for Warren-Blackwood can ask the CCC. I will leave it to the CCC's discretion; if it believes that it can take the initiative to make transcripts available, it can do so. However, an imposition on the CCC by the Premier carries with it a particular weight, and it is not a weight that I am prepared to lean on the CCC.
