

**ADVANCE CARE PLANNING PROGRAMS**

*Petition*

**HON KYLE MCGINN (Mining and Pastoral)** [10.03 am]: I present a petition containing 1 216 signatures, couched in the following terms —

To the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We the undersigned support extending the provision of Advanced Care planning programs such as the “*Are you good to go?*” sessions run by WA Palliative Care to regional areas such as the Pilbara and Kimberley regions. Further the absence of such programs in those areas means that residents do not have access to essential information to plan for their future health and other needs.

We therefore ask the Legislative Council to support and endorse access to advance care planning to regional Western Australians.

And your petitioners as in duty bound, will ever pray.
