

GORDON INQUIRY DOCUMENTS

386. Mr R.F. JOHNSON to the Premier:

I have a supplementary question. Will the Premier give an unequivocal yes or no answer to whether any documents have, or will be, destroyed from the Gordon inquiry?

Dr G.I. GALLOP replied:

It is a very simple question coming from a very simple mind! No documents have been destroyed and the proper process will be followed. The process under the Act will be followed.
