

PERTH RAILWAY TUNNEL — MOBILE PHONE COVERAGE

614. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

- (1) Has there been any further development in providing mobile phone coverage in the railway tunnel west of Perth station on the Fremantle line?
- (2) If yes to (1), which phone providers will provide coverage?
- (3) If no to (1), why not?
- (4) What action is the government taking to secure mobile phone coverage for the tunnel?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of the question.

- (1)–(4) It remains a business decision for Optus when it will install equipment in the tunnel. The Public Transport Authority will nevertheless continue discussions with Optus on this matter.
