

ROADWORKS, CONVENTION AND EXHIBITION CENTRE

474.Hon TOM STEPHENS to the Minister for Transport:

I refer to the minister's answer yesterday to a question about major road works planned for the city.

- (1) To what extent are the connection of the Kwinana Freeway bus transit way to the bus port and the reconstruction of Riverside Drive made necessary or affected by the proposed convention centre?
- (2) In relation to other road works that have caused the modifications to the Riverside Drive ramp connections to be placed on hold -
 - (a) what are those other road works;
 - (b) who is responsible for them;
 - (c) what is their cost; and
 - (d) who is paying for them?

Hon M.J. CRIDDLE replied:

I have read the answer that came in prior to the commencement of question time. I am not happy with it and I ask the member to place the question on notice.
