

PERTH FREIGHT LINK — MUCHEA–FREMANTLE

794. Hon AMBER-JADE SANDERSON to the parliamentary secretary representing the Minister for Transport:

I refer to the overall Perth Freight Link plan between Muchea and Fremantle.

- (1) Has heavy vehicle volume modelling been completed for the section of Tonkin Highway between Roe Highway and Collier Road?
- (2) What is the expected daily movement of heavy vehicles on this section of the freight link, once NorthLink and Roe 8 are completed?
- (3) What is the expected increase in heavy vehicle usage on this section of the freight link?

Hon JIM CHOWN replied:

I thank the member for some notice of this question.

- (1) Yes—\$49 million.
- (2) No.
- (3) Not applicable.
- (4) Construction is to commence in early 2016, with completion estimated in late 2016.
