

DIRECTOR GENERAL OF THE DEPARTMENT OF EDUCATION AND TRAINING - MANAGEMENT-
INITIATED RETIREMENT

721. Mr P.D. OMODEI to the Premier:

I have a supplementary question. If Paul Albert had to go, why is the minister not going too?

Mr A.J. CARPENTER replied:

The answer to that lies in my answer to the first question. Mr Albert agreed and acknowledged that the responsibility was his.

Mr C.J. Barnett: What about ministerial responsibility?

Mr A.J. CARPENTER: The minister, when she became aware of the content of the CCC report -

Mr T.R. Sprigg: When was that?

Mr A.J. CARPENTER: Last Thursday, as I understand it. The minister acted immediately. She brought Mr Albert back from overseas, and we know what has happened since.
