

HIGH-FREQUENCY BUS ROUTES — RANFORD ROAD

599. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

My question, I believe, has been redirected to the parliamentary secretary representing the Minister for Transport, although it does relate to “Directions 2031”, so I am a bit confused by that.

- (1) Can the minister confirm that Ranford Road is identified within “Directions 2031” as providing one of the top 20 high-frequency bus routes in the region?
- (2) Will the minister table the full list of the 20 high-frequency bus routes in the region?
- (3) If to (2), why not?

Hon Nick Goiran: Do you know where Ranford Road is?

Hon Ken Travers: Yes; it’s near your office, isn’t it?

The PRESIDENT: I think that question was directed to the parliamentary secretary representing the Minister for Transport.

Hon JIM CHOWN replied:

I am very surprised to see that my folder in regard to responses to Hon Ken Travers is bereft of any answer. I will get back to him shortly because I think it may be here.

Hon Ken Travers: I’m used to that—bereft of answers from your mob!
