

DIALYSIS UNIT, ALBANY

Petition

Hon Bob Thomas presented the following petition bearing the signatures of 287 persons -

To the Honourable the President and Members of the Legislative Council of the Parliament of Western Australia in Parliament assembled.

We, the undersigned, respectfully inform Parliament that the Government's community dialysis unit in Albany is inadequate and request that a full satellite unit be established in order to alleviate the inconvenience of patients living away from home for treatment. We also request that the Government conduct a survey to establish exactly how many people would use a satellite service if one was established in Albany.

Your petitioners therefore humbly pray that you will give this matter earnest consideration and your petitioners, as in duty bound, will ever pray.

[See paper No 195.]
