

*Joint Standing Committee on Delegated Legislation — Fifty-sixth Report —
“The Ability to Conduct Electronic Meetings and the Trial of iPads by Committee Members”*

Resumed from 13 September.

Motion

Hon JIM CHOWN: I move —

That consideration of the fifty-sixth report of the Joint Standing Committee on Delegated Legislation be deferred to an appropriate sitting day.

By way of explanation, my colleague Hon Alyssa Hayden is obviously absent from the house on important parliamentary business, and as I am suffering from the flu, I do not believe I could do this important report justice. If that deferment were possible, it would be appreciated.

Question put and passed.
