

TRANSPORT — PRESTON RIVER RELOCATION DESIGN

4461. Hon Adele Farina to the parliamentary secretary representing the Minister for Transport:

I refer to the *Southern Ports Authority 2016 Annual Report*, which states the Preston River Relocation Design was partially completed, and I ask:

- (a) why was the design only partially completed; and
- (b) what is the expected completion date for the design work?

Hon Jim Chown replied:

The Southern Ports Authority advises:

- (a) The Southern Ports Authority is waiting on stakeholder input.
- (b) The design work is provisionally completed and final completion depends on stakeholder input.
