

STRATEGIC CORRIDOR ROUTE 2, COSTING DETAILS

469. Hon Jim Scott to the Parliamentary Secretary representing the Minister for Planning and Infrastructure

- (1) Will the Minister table the details of costing on the construction of Strategic Corridor Route 2 (Lime Road from Lancelin)?
- (2) Will the Minister table the details of costing done on the alternatives, rail options and route alterations, to the Strategic Corridor Route 2 (Lime Road from Lancelin)?

Hon GRAHAM GIFFARD replied:

- (1) Upgrading of the section of Route 2 from Lancelin to New Norcia has been completed at a cost of \$6.5 million. The budgetary estimate for upgrading the remainder of Route 2 from New Norcia to Goomalling is \$7 million.
- (2) No costings are available at this stage. However, a formal review is to commence within the next few weeks and will assess the route options for transporting Agricultural Lime Sands from Lancelin.
