

RAILWAY STAKES — POLICE PRESENCE

Question without Notice 967 — Answer Advice

MR M.P. MURRAY (Collie–Preston) [2.54 pm]: I refer to standing order 80(2). On 26 November I received an answer to a question I asked of the Minister for Racing and Gaming. I then received a phone call to say that the answer was wrong and that a correction would be made. I have yet to hear that correction and I am not quite sure about the process for getting that correction, or whether a correction is needed. I ask for your ruling, Mr Speaker.

The SPEAKER: Members, for the information of everybody in this place, standing order 80(2) pertains to a question that has not been answered; it is not for a question that has been answered in error. I will give the Minister for Racing and Gaming an opportunity to provide some information to the house if he feels it is necessary.

MR T.K. WALDRON (Wagin — Minister for Racing and Gaming) [2.55 pm]: I am not aware of the question the member is talking about, but I am quite happy to see the member and to get an answer to him as soon as I possibly can.
