

MINISTERS OF THE CROWN, DIARY SOFTWARE, SECURITY OF INFORMATION

205. Mr P.D. Omodei to the Premier; Minister for Public Sector Management; Water Resources; Federal Affairs

Will the Premier advise of the following -

- (a) does the Premier's office use software to act as a diary or calendar to store information regarding the Premier's meetings and appointments;
- (b) are details, such as names, of the people who attend these meetings ever recorded using this software; and
- (c) does this software have a search function capable of identifying names recorded, such as those people who have, or will be, meeting with the Premier?

Dr G.I. GALLOP replied:

- (a) Yes
- (b) The details listed is dependent on the information available at the time of the organisation of the meeting.
- (c) Yes
