

MITCHELL FREEWAY — EXTENSION

**405. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:**

I refer to recent calls for Mitchell Freeway to be extended north of Hester Avenue to Romeo Road.

- (1) Does the current contract for the extension of Mitchell Freeway include a bridge at Hester Avenue to allow for a future extension to Romeo Road?
- (2) How many vehicles would an extension to Romeo Road add to traffic volumes south of Burns Beach Road?
- (3) What new works would be required on Mitchell Freeway south of Burns Beach Road to support increased traffic volumes on Mitchell Freeway as a result of this extension?
- (4) What new works on Mitchell Freeway have been identified to cope with increased traffic volumes over the next 10 years?

**Hon JIM CHOWN replied:**

I thank the honourable member for some notice of the question.

- (1) Yes.
- (2)–(4) Main Roads is in the process of analysing and modelling traffic flows.
