

MUNDIJONG POLICE STATION

1173. Hon JOCK FERGUSON to the minister representing the Minister for Police:

I refer to the election commitment to develop a new police station in the Serpentine-Jarrahdale area.

- (1) Do plans exist for a new police station?
- (2) If so, what are they and what is the time frame?
- (3) Have moneys been allocated in the budget for this project?
- (4) What remedial work, if any, will be undertaken in the meantime at Mundijong Police Station, and when will that occur?

Hon PETER COLLIER replied:

I thank the member for some notice of this question.

- (1) A business case is being prepared seeking funding for the construction of a new police station in Mundijong.
- (2) The procurement of this project is a high priority for WA Police. However, the time frame is dependent upon the provision of government funding.
- (3) No.
- (4) Through its maintenance program, WA Police undertakes remedial work as and when identified within funding constraints.
