

MEDICAL CANNABIS — POLICE INTERACTIONS

1196. Hon SOPHIA MOERMOND to the minister representing the Minister for Police:

I refer to the legal use and possession of medicinal cannabis in Western Australia.

- (1) What training do police receive on medicinal cannabis to guide them for interactions with patients during police operations?
- (2) How are police operations managed so as not to unfairly interfere with medicinal cannabis patients' right not to be criminalised?

Hon STEPHEN DAWSON replied:

I thank the honourable member for some notice of the question. The following information has been provided to me by the Minister for Police.

The Western Australia Police Force advise that a response to this question cannot be provided within the required time frame. A response for the honourable member will be provided on Thursday, 19 October 2023.
