

TRANSPORT - HEAVY HAULAGE VEHICLES - ACCREDITATION

3396. Hon Murray Criddle to the parliamentary secretary representing the Minister for Planning and Infrastructure

With regard to heavy haulage accreditation -

- (1) How many accredited operators are there?
- (2) What percentage of these are farmers?

Hon ADELE FARINA replied:

- (1) There are 3,625 Accredited operators as at 18 April 2006.
 - (2) Western Australian Heavy Vehicle Accreditation records the operator's business name and address, but this information does not necessarily reflect the business interests of the operator. As such, no percentage of farmers can be provided.
