

RAILCARS — STOWAGE — PERTH STADIUM

3030. Hon Ken Travers to the Parliamentary Secretary representing the Minister for Transport:

- (1) How many railcars can be stowed at the new sidings being constructed as part of the New Perth Stadium project?
- (2) What is the location of each stowage area/siding and how many railcars can be stowed at each location?
- (3) What is the estimated cost of constructing these stowage areas/sidings?
- (4) How many existing storage areas/sidings will be used to stow railcars for events at the new Perth Stadium?
- (5) What is their location and how many railcars can be stowed at each location?

Hon Jim Chown replied:

- (1) 147 railcars.
- (2) The location and railcar numbers is as follows:
 - New Stadium station at Burswood: 117 railcars;
 - Between Great Eastern Highway Bridge and Victoria Park station: 24 railcars;
 - East Perth station: 6 railcars.
- (3) The estimated cost of constructing these stowage areas/siding is contained under the Railway and Station element of the budget of \$149.25m (unescalated and in June 2011 dollars).
- (4) None.
- (5) Not applicable
