

PERDAMAN UREA PROJECT

**561. Hon Dr BRAD PETTITT to the minister representing the Minister for Environment:**

I refer to ministerial statement 1180 on 24 January 2022 regarding the Perdaman urea project. Which other ministers and/or other decision-making authorities were party to the agreement or decision under section 45 of Environmental Protection Act 1986 to allow the implementation of the Perdaman urea project?

**Hon KYLE MCGINN replied:**

I answer on behalf of the minister representing the Minister for Environment. I thank the member for some notice of the question. The following answer has been provided to me by the Minister for Environment.

The Minister for Environment identified the Ministers for Water, Aboriginal Affairs, Lands, and Ports to be key decision-making authorities for the Perdaman urea project under section 45(2) of the Environmental Protection Act 1986. On 24 January 2022, an agreement was reached with the key decision-making authorities under section 45(3) of the act and the proposal may be implemented, subject to conditions, the details of which are reflected in ministerial statement 1180.
