

AUSTRALIND RAIL SERVICE

Petition

MR M.P. MURRAY (Collie-Wellington - Parliamentary Secretary) [9.02 am]: I have a petition mainly from the Harvey area. It may be a little bit off the pace at the moment. It is from 257 people in the Harvey area and it concerns the *Australind* train service.

[See petition 154.]

Mr T. Buswell: What does the petition say?

Ms A.J.G. MacTiernan: It says that they want the *Australind* train service, which is what they've got!

Several members interjected.

The DEPUTY SPEAKER: Order, members! Order, member for Vasse! I do not know what members had for breakfast this morning, but I ask them to contain themselves.
