

MENDS STREET JETTY, SOUTH PERTH

579. Hon Jim Scott to the Minister for Housing and Works representing the Minister for the Environment and Heritage
- (1) Will the Minister table any correspondence between the Swan River Trust and the proponent of the new restaurant proposal on the Mends Street jetty in South Perth?
- (2) Will the Minister table any correspondence between the Swan River Trust and the proponent of the private jetty at Northbank in North Fremantle?

Hon TOM STEPHENS replied:

- (1)-(2) The Minister for the Environment and Heritage has been advised that the Swan River Trust has not received any correspondence other than routine administration such as the usual application and covering letter, request for additional information and acknowledgment letters.

On behalf of the Minister I now table a list of routine correspondence received for the Mends Street and Northbank Jetties applications (Attachment 1). [See paper No 1443.]
