

PORT KENNEDY AGREEMENT DEVELOPMENT ACT, ENACTMENT OF SECTION 24A

**158. Hon J.A. SCOTT to the parliamentary secretary representing the Minister for Planning and Infrastructure:**

The member for Peel, Mr Norm Marlborough, was reported in the *Weekend Courier* on 8 June as saying that the Minister for Planning and Infrastructure had enacted clause 24A of the Port Kennedy Development Project Agreement under the Port Kennedy Development Agreement Act.

- (1) When did the Minister for Planning and Infrastructure enact clause 24A?
- (2) If the developer fails to satisfy the minister by this date, what action will the minister take on this project?
- (3) Will the minister involve the community in deciding the future of Port Kennedy?

**Hon G.T. GIFFARD replied:**

I thank the member for some notice of this question.

- (1) I advised the voluntary administrators of Port Kennedy Resorts Pty Ltd, Hall Chadwick, on 12 April 2001 that the State is prepared to consider submissions from the administrator with a view to an assignment of the project pursuant to clause 24A of the Port Kennedy Development Project Agreement.
- (2) If the administrators fail to provide the Minister with an acceptable proposal for assignment, the Minister will consider the State's position under either clauses 24 or 24A of the agreement.
- (3) Yes.
