

PERTH STADIUM — TRANSPORT INFRASTRUCTURE

929. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

I refer to the “new Perth Stadium Transport: Project Definition Plan: December 2012”.

- (1) Which destinations or rail lines will the 7 500 people identified to use the East Perth station likely travel to?
- (2) If the final destinations have not been identified, how was the 7 500 figure calculated?

Hon JIM CHOWN replied:

I thank the member for some notice of the question.

- (1)–(2) Of the 7 500 people identified, it is estimated that 2 500 patrons will depart East Perth station for stations on the Midland line to Midland, and an estimated 5 000 patrons will travel from East Perth station to Perth station and on to other destinations on the network.
