

PERTH FREIGHT LINK — BUSINESS CASE

1036. Hon KEN TRAVERS to the parliamentary secretary representing the Minister for Transport:

- (1) Did the business case for the Perth Freight Link undertake a qualitative assessment of alternative options?
- (2) If yes to (1), what were the four highest rated options?
- (3) Did the business case consider bringing forward the building of a second port in Cockburn Sound with alternative road and rail links?
- (4) If yes to (3), why was this option rejected?
- (5) In no to (3), why not?

Hon JIM CHOWN replied:

I thank the honourable member for some notice of the question. It is not possible to provide the information in the time available and I request the member put the question on notice.
