

ENERGY — STANDALONE POWER SYSTEMS — REGIONS

769. Ms L. Mettam to the Minister for Energy:

I refer to your July 2020 \$5.5 billion Recovery Plan and I ask which regional communities have had standalone power systems to deliver clean, reliable power installed since July 2020?

Mr W.J. Johnston replied:

The following communities in Horizon Power's remote and regional service area have had standalone power systems installed funded under the WA Recovery Plan and delivered through Horizon Power's Renew the Regions program:

Carnarvon
Beaumont
Mount Ney
Condingup
Cascade
Boyatup
Howick
Munglinup
Grass Patch
