Further to question on notice No. 569 of April 9 2002 -

- (1) Who gave the advice to the Government which indicated that the Government had no obligation as to the future or zoning of the lower lands under the Heathcote Co-ordination Agreement?
- (2) Will the Minister table a copy of that advice?

Hon GRAHAM GIFFARD replied:

- (1) The Crown Solicitor's office.
- (2) No. It is a long-standing and entirely reasonable convention that Government does not publish its legal advice.
